

Meet Mrs Butcher

Hello! My name is Mrs Butcher and I will be teaching you on a Thursday and Friday.

I have a real passion for Early Years and believe it's a very important stage for our little people. I always aspire to do the best job I can to make it a great start for them.

I have been a teacher at Old Town Infant school for many years now and believe that everyone has the best interests for every child. I may be biased, but the children we have the privilege to teach are always pretty fantastic! They definitely keep us on our toes.

At present, I teach on a Thursday and Friday and spend the rest of the week with my two young children of age 7 and 8 years old. Together we love to head out on many adventures and usually come home exhausted and in need of a bath. We particularly like to head off to the forest, beach, our local parks, the river and off out into the countryside. My son has just started to learn to play the drums and often teaches me what he has been learning about and my daughter is always singing, dancing and creating things. I am really looking forward to meeting you all and welcoming you to our school. It will be great to get to know all your families too. I am sure we will have lots of fun together as we learn many new and exciting things.
