

Meet Mrs Pearson

Hello everyone!

My name is Mrs Pearson, and I am the Level 3 Teaching Assistant in Starfish Nursery. My journey here first began as a Mum. My son spent many happy years at the school, and I knew then that I wanted to be involved in such a positive and welcoming school community. I began volunteering and the rest is history! 10 years on and I still love my job and everything it involves. There is nothing more rewarding than being a part of a wonderful team and getting to work with truly amazing children every day. It really is a privilege.

Out of school, I love nothing more than spending time with my family and friends. As a family, we love to travel and explore new places and very much enjoy being outside, whether at the beach or discovering new walks. When I am not busy with family life, I enjoy reading, swimming, and I love animals.

I can't wait to meet you all and be a part of your Old Town Infant School and Nursery adventure!
