

## Meet Mrs Kathpalia

Hi everyone!

I'm Mrs Kathpalia and I am one of the teaching assistants at Old town Infant School and Nursery.

After working with Year 1 for two years, I have now moved to nursery. I have been working at the school for almost eight years and love my job!

Aside from my job, I love going on adventures and exploring our wonderful areas in Poole and Bournemouth. My main hobbies are drawing, cycling and cooking. I have two children who also went to this school and are now 14 and 18 getting extremely busy! I enjoy going out with my family and friends on walks, dinners and trips to our beautiful beaches. I am a very big fan of movies and reward myself with a nice movie night after a long, busy week!

I am very excited to meet you all as we learn and explore around us. It's going to be an adventurous year here with us in nursery and I'm really looking forward to it!
