

Poole Old Town autumn activities

FLOURISH

A new group for young parents up to the age of 25 years, to attend with their child or children.

This will be a parent lead group, where you tell us what you need. It could be information on services, advice about most things or guidance on life skills.

Within the sessions there will be an element of PEEP which supports confident parents and children, through play, listening, talking and storytelling.

Just turn up, no booking required, we are very friendly and welcoming.

Times: Wednesdays 1pm to 2.30pm
