Headlines

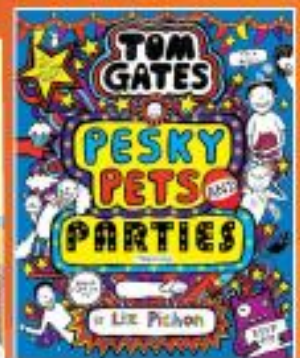

- School attendance this week is 91.33%. The class with the highest attendance was Seahorses with 98.41% attendance.
- We have received a number of concerns from parents regarding the use of the new swing (in the forest area) after school. This new piece of equipment is for the use of pupils under the supervision of staff from either Old Town or Winchelsea School. Please could I ask that children refrain from using this outside of school hours – we cannot accept liability for any accidents.
- Many thanks to everyone who has donated towards the development of our Discovery Garden. We have been blown away by the generosity and are almost at the £1500 mark. Your support is very much appreciated. If you would like to find out about our plans or make a donation, please visit:
