

# Discovery Garden

Welcome to our Second newsletter about the new Discovery Garden. As promised, we will be keeping you up to date with our progress and any fundraising events taking place.

The working party have met again to continue with the plans. We are hoping for better weather after half term so that we can start on some of the practical work. The pebbles will arrive in the spring term, and we can't wait to see the children's designs.

We were contacted by the Daily Echo this week and they have run a story about our fundraising efforts in today's edition (Friday 13<sup>th</sup>), it is available online to read. Hopefully this will generate some more donations.

We are running a colouring competition for all children; colouring sheets were sent out via the classrooms this week and the deadline for entries is Wednesday 25<sup>th</sup> February. Minimum donation of 50 pence per entry. Prizes can won.

**The Tabletop Sale will take place in the school hall on Saturday 28<sup>th</sup> February between 10am and 12.30. Tea, coffee and sausage sandwiches will be available as well.**

Thank you to everyone who has donated to our **Just Giving Page**. If you can share this link, it would be very helpful.
