

Discovery Garden

Newsletter No 3

Welcome to the latest newsletter from the Discovery Garden working party.

Plans are starting to take shape, and the weather is improving so we hope to have some visible signs of change in the garden soon.

The article in the Daily Echo created interest in our project and some more donations on the Just Giving Page. We have been contacted by Men's Shed who have volunteered to help with any building of raised beds, decking and benches.

Thank you to all the children who entered the colouring competition, there were some amazing entries. The winners, judged by Mr Gubbins were Lolly (Sealions), Leah (Nursery), Roman (Reception), Maddison (Year 1) and Oliver B (Year 2)

The Tabletop Sale took place on Saturday, and everyone enjoyed the morning. The refreshments proved to be very popular. We have been asked to have another Tabletop/Car boot sale, and this will be on Saturday 25th April 9am to 12noon, hopefully in the school playground (weather permitting). Look out for details after Easter.

We have raised £259 from the colouring competition and tabletop sale. Many thanks for everyone's support.

The pebbles for painting have been delivered, and children will be able to paint theirs during the school picnic on Friday 1st May. More details nearer the time.

Over the next couple of weeks, we will be organising the moving of the sheds and some construction work. **We are in need of some breeze blocks, wooden sleepers and gravel. If you know anyone who may have some spare, please let us know.**

Thank you to everyone who has donated to our **Just Giving Page**. Please continue to share this link, to help with fundraising. **Total funds raised so far £1170 but we would love to get to £1500 to give us the best chance of completing the project this school year.**
