#### Headlines

- This past week we started the Summer Term with our annual Health Week. Throughout the week children learned how to stay healthy (mentally and physically), they experienced Forest School, had a 'healthy plate food tasting experience' with Chartwells, and loved learning about how to maintain a healthy diet (while completing different Food Tech activities within the classroom). The week ended with Sports Day and we were lucky to have dry weather – with the sun shining down in the afternoon. Can we say thanks to Dr Sandrine who came in on Tuesday and delivered a whole school assembly on how to stay healthy.
- On Thursday you may have noticed Mrs Spicer in school? Mrs Spicer takes up the new Headteacher post from September and is now starting to spend time in school getting to know staff, children and families. She will continue to visit the school over coming weeks – I have no doubt that everyone will make her feel most welcome. If you see her in the playground, please do say 'hello' 😊
- Following on from Sports Day, please could I remind everyone that during whole school events, children who have a 'no photo/video sticker', should not be photographed under any circumstances. Whilst parents and carers are welcome to take photos of their own child, should another child appear in the background of the photograph, this should not be shared anywhere on social media without the express permission from the other parent.

- We are currently experiencing some technical difficulties with our Arbor communication system – this manages our outgoing texts and emails. We are currently working alongside the provider to rectify the problem as soon as possible. Apologies for any inconvenience this may cause.
