Re. Year 1 Visit to The Spire for Messy Harvest

Dear Parents/Carers,

To celebrate the upcoming Harvest Festival, our Year One children have been invited to The Spire for a Messy Harvest celebration next week.

On the morning of Wednesday 8th October, children from Jellyfish and Stingrays will walk the short distance to The Spire where they will get to take part in an hour long workshop that introduces them to Messy Harvest.

"Messy Harvest" refers to events and resources associated with the Messy Church program that focus on the harvest season, typically involving crafts, activities, food, and Bible stories centered on themes of gratitude, nature, and stewardship.

As consent for this trip has already been given on Arbor (under permission for your child to be escorted on foot for school activities within the immediate locality), should anyone not want their child to attend (due to the religious nature), please can you let your class teacher know as soon as possible?

If you are free next Wednesday and would be able to support us on the trip, can you equally let class teachers know – as additional help is always appreciated.

I apologise for the short notice of the trip. Official confirmation was only received this afternoon. However, as in previous years, I have no doubt that the children will really enjoy themselves 😊

With best wishes,

Doug
