Wider Curriculum offer 2025/25

Dear Parents/Carers,

You may be aware that over the course of this current year, we have introduced a variety of clubs for the children – some during lunchtimes, some after school. These have included:

- Choir
- Football
- Drama
- Colouring
- Art
- Lego
- Gardening
- Cooking

As we begin to move into the second half of the Summer Term, we are already starting to think about our wider curriculum offer for next year.

We have heard lots of feedback in relation to the types of clubs that we offer and are conscious about the current financial climate, as well as the spread/range of clubs over the course of the year. Next year due to logistics and staffing, we plan to extend our after-school club offer and equally ensure that there is an even spread of activities across the school year. Some clubs will be run by external providers, some by internal school staff and where we have parents with a particular flair or passion, some will run by parents supported by a teacher.

The purpose of this letter is to gauge parental/child interest in the types of clubs you require and the costs that you are prepared to pay.

If you would be kind enough to complete the following survey by clicking on the following link, it would really help us to plan our wider curriculum offer for the next academic year.

Please click [here](#) to let us know your thoughts. If you could make your response by Monday 2nd June, it would be greatly appreciated.

With best wishes,

Doug

Mr Douglas Gubbins
