Headteacher: Mr Douglas Gubbins BA (Hons), PGCE,

Dear Parents/Carers

You may recall that last year we launched our new initiative 'Musician of the Month' here at Old Town. We introduced this with a view to widening children's awareness of music, musical artists and genres of music from around the world. Each month of the last academic year the children eagerly anticipated the unveiling of a new musician, or musical group, that we talked about, learned about and enjoyed listening to.

The musicians were carefully chosen by our entire staff team to reflect variety, diversity and, in many cases, themes of triumph and perseverance in the face of adversity.

The children really embraced 'Musician of the Month' whole-heartedly and clearly enjoyed listening to the music of the chosen musical artists as they walked in and out of assemblies and during class down times. I have been delighted to find out that, despite the long summer break, the children can still name several of the musicians and recall facts that they learnt about them.

We will be continuing 'Musician of the Month' this year and have already introduced our September artist. I wonder if your child can tell who it is....! Reception parents, please note, your children will join in with this once they are settled into their new classes.

We will endeavour to keep you informed and will send out a monthly notification of who is our chosen musician (or musicians!). You may even decide to enjoy listening to some of their music and researching about them together at home.

Thank you very much for your continued support.

Mrs Cameron
Music Coordinator
